MATTHEW 6:6 NLT

“But when you pray, go away by yourself, shut the door behind you, and pray to your Father in private. Then your Father, who sees everything, will reward you.”

◆ Won't HE Do It!

This is a story of faith, prayer, and fasting.

The doctors gave up on her and prepared the family for her last days. Her feeble body was not accepting the liquids prescribed by her physician. The True Love family was praying and some of us were fasting too (per Rev. Hemphill's instructions of fasting every Tuesday and the Lent Negativity fast). BUT, GOD!

My mother has a greater physician! After 14 days, she started feeling better. She is on solid foods again and thriving. GOD is a miracle worker!

This is the second miracle that HE allowed me to witness, all while I was fasting and praying.

When you fast, denying the flesh, uplifting your needs to the LORD in prayer, in private not sharing with the world what you are consulting GOD about; (Matt 6: 16 - 18) HE hears and rewards you (Job 1:10 NKJV) according to HIS will and in HIS perfect timing. HIS reward(s) are more than you can ever imagine!

It all starts with our faith. Our faith to know that GOD's got us! (Philippians 4:13) Place your faith in GOD. It's not what man has to say. GOD is in control. HE can handle all our troubles if we would just allow HIM to keep us in perfect peace.

Brothers and sisters, as Rev. Hemphill says, "it's time to LEVEL UP!" Know what GOD will see you through and see you to! Rejoice in knowing it is HIS will that "will be done on earth, as it is in heaven." Continue praying and fasting. GOD is the *only* answer. Seek HIM and you won't be disappointed. GOD bless you *real good!*

“Oh Freedom!” Play

FINE ARTS MINISTRY

Utterly exceptional performances by the True Love Fine Arts team for the Black History month play, Oh Freedom! This play was the vision of Sis Charkia Grant. It was written and directed by Sisters Grant and Kellie Jackson. You missed a treat if you did not see it. It was truly God inspired. The dancing and acting performances were of a caliber that could compete with any arts performance at the Smith Center of Performing Arts!

The play centered around celebrating our ancestors and the African American struggle during slavery. Their belief in God is what saw them through. It also depicted rising up out of pain into a proud and strong people. If you are interested in joining the Fine Arts Ministry, contact Sisters Grant, Jackson, Byrd, or Smith.
